

Sponsorship Information

A goal of Marcus Wrestling Booster Club is to involve local business owners in the continued success of the Marcus Wrestling program at Marcus High School.

The wrestling team continues to grow each school year. Due to District budget constraints, financial support is limited and Marcus has not been able adjust to the increasingly popular wrestling program. Booster Clubs and the local businesses are stepping up to provide our athletes with the equipment and support they need for continued success.

We are searching for local business owners to join our program in the form of Corporate Sponsorships. All funding received from Corporate Sponsors will go directly to the needs of the Team. **All sponsorships are tax deductible as we are a registered 501C(3) non-profit organization.**
